

Whole School Science Overview

Year A

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Class 1	Skills taken from Class 1 Curriculum	Skills taken from Class 1 Curriculum	Skills taken from Class 1 Curriculum	Seasonal Changes	Exploring everyday materials	Animals including Humans - Humans
Class 2	Seasonal Changes	Exploring everyday materials	Animals including Humans - Humans	Habitats around the world	Everyday materials	Plants - growth and care
Class 3	Exploring the world of plants	Light	Animals including Humans	States of Matter	Classifying Living Things and their habitats	Food and Digestion
Class 4	Respecting our Environment	States of Matter	Electricity	Life Cycles	Mixtures and Reactions	Human Development
Class 5	Living things and their habitats	Changes of materials	Forces	Blood and Transportation	Electricity	Evolution and Inheritance

Year B

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Class 1	Skills taken from Class 1 Curriculum	Skills taken from Class 1 Curriculum	Skills taken from Class 1 Curriculum	Introduction into Plants	Everyday materials	Animals including Humans - animals
Class 2	Introduction to plants	Uses of everyday materials	Animals including Humans - Animals	Living things and habitats	Animals and Humans - What makes us?	Diet and Health
Class 3	Plants - life cycles	Rocks	Forces and Magnets	Sound	Electricity	Nature and the Environment
Class 4	Digestion	Classification	Sound	Forces	Earth and Space	Decay and Recycling
Class 5	Explore Life Cycles	Properties of materials	Earth and Space	Heart and Health	Light	Living things and habitats
